AQUAVIT

LONDON

ABOUT

Aquavit London is a Nordic inspired brassiere. We showcase the very best of Nordic cuisine and design offering a relaxed and casual dining experience in a sophisticated and elegant setting.

Situated on the first floor, our two private dining rooms accommodate up to 64 seated and 130 standing. The Copenhagen is perfectly equipped for daytime meetings and intimate dinners, while the Stockholm is popular for larger groups and parties. As the two rooms are adjoining book both and have the first floor to yourselves.

Exclusive hire of the entire venue is also available up to 100 seated and 200 standing.

The highly acclaimed design studio of Swedish-born Martin Brudnizki has created an impressive dining space that celebrates Nordic heritage in a contemporary and welcoming space. All located in the prestigious redevelopment of St. James's Market in the heart of central London.

Our chefs have carefully crafted set menus exclusively for private dining and events. The selection of dishes are Nordic-inspired with fresh and locally sourced ingredients. The Nordic cuisine is inspired by Scandinavian nature; a land surrounded by water, rich in game, berries, mushrooms, and wild foods, with an abundance of seafood.
